Inspiring and educating students in the performing arts is our mission.

KTA helps build a strong sense of self-esteem, confidence and character through the craft of theatre and musical theatre in a positive, nurturing, non-competitive learning environment

We encourage each student and work with them to cultivate their talents and abilities in music, dance and theatre arts, but most importantly, we teach them the concept of teamwork. The students work together as members of a cast and help each other create a performance they can all be proud to stage at the end of each semester. In recent years KTA students have sung with the Greater Bridgeport Symphony, and Klein Dance Company has given 101 public performances since its founding in August 2016. Graduates of the technical production course may be eligible to enter our paid internship program, where they are paid to work alongside union stagehands at Klein events.

This is a full commitment of you and your child to the Klein Theatre Arts program. Each student is key to the success of the learning process throughout the semester. The staff and the cast work very closely with each other. Each cast member must be at every class. As sports teams require their team member being there every day at practice to play in the game, we also require our "team" members to be there every day.
